National Anthem

Good Morning to one and all gathered here.

Respected Chief Guest of this Morning Mr. R.S. Prabhu, JCI Senator, Former National Vice President & National Trainer and Junior Chamber International India. A person who innovated the mindset of the youngsters to have a great path toward their future through his motivational speech.

Respected Correspondent, Secretary, HoD's, Staff Members and budding students of our Kavitha's College of Arts and Science, I welcome you all for this Eighth Annual Day Celebration.

Today is an important day for our institution; we are celebrating Eighth Annual Day in our institution. We have achieved a lot for the past Seven years with the support of our Students, Our Staff members and our Management.

I am glad to stand before you to share the achievements at our Staff & Students achievement in this academic year to till date.

Every year our students are proving their skills in both academic and non-academic activities. Our staff members also contributed to the development of our students as well as our institution.

I begin with some introductory points about our college.

Our college is run by Saraswathi Educational Trust; it was established in the year 2005. Simply we call it as an SET college; most of the academicians are well – known about it. More than 50000 students completed their degree through SET College and now they are in higher positions.

Our Kavitha's college of Arts and Science is flourished in the academic year 2015 to 2016 with the primary Objective of Providing Quality education to the needy people in the rural areas and the upliftment of their career.

Our correspondent has started the work to establish an educational institution in the year 2014. We have received NOC from the Government of Tamilnadu in the year 2014, Govt. order number is 151/2015 and got approval from our Periyar University, Salem in the year 2015, approval number is 013776/2015.

The extent of campus is 7.41 acres and the built up area is 18,078.78 sqmt. The college has a spacious campus and classrooms, well equipped and Modern Laboratories, Seminar Hall, waiting hall for girls, Central library, Various cells and Administrative centers.

Our young and vibrant institution continues to make rapid step in the field of education, research and extension activities for the past five years. Rural and Middle class people of these surrounding areas are getting excellent education with low fees structure.

VISION OF THE COLLEGE

Vision:

- ✓ To convey the knowledge and skills to the rural students in order to meet their intellectual and Social needs.

Objectives:

- ✓ To insist the value of Education to the rural students.
- ✓ To surpass in the innovative technologies that helps for the Nation's development.
